Prayer and Praise

Liisa Kephart wrote, "I want to give the Lord the praise and want to thank everyone for praying for me. The cancer on my cheek is gone. I received radiation for 5 days for 5 weeks, had PET scan and no sign of cancer. Thank you for your prayers! The Lord is good and faithful."

Sandy Lehman continues to recover from her shoulder surgery. Let's remember her in prayer as the Lord leads.

John Miller is awaiting heart bypass surgery. Let's remember him in prayer.

James Booth has been experiencing dizziness and high blood pressure. Let's cover James in prayer; may the Lord bless him with healing.

Laurie Miller has been battling ongoing respiratory issues. Let's cover Laurie in prayer; may the Lord lead her to a solution and restore her health.

"We would appreciate your prayers in the coming weeks. **Brenda** was diagnosed with breast cancer the end of March. We are very thankful this was found early and does not appear to have spread, but the plan is to proceed with a double mastectomy on May 21. This has come on the tail end of **Matt's** cancer diagnosis and surgery in mid-January. Praise the Lord his first set of follow up scans and bloodwork recently came back all clear!"
- **Matt and Brenda Delagrange**

Herbert Wenger's recovery from oral surgery is going well with the exception of the area where a skin graft was taken on his arm. Despite wound care, the healing process has been slow. Let's join together in asking the Lord to heal Herbert's left arm.

Let's continue to lift **Betty Vanderploeg** to the Lord in prayer; may the Lord's presence with her be a source of strength as she receives chemotherapy.

Let's continue to cover **Crystal Christensen** and her family in prayer as she receives chemotherapy; may the Lord restore her health and bless both Crystal and her family with peace.

Let's continue to remember to pray for the children Mt. Pleasant is sponsoring at **Hope House** in Thailand, Smile and Rittirong. Please see the bulletin board in the Fellowship Hall for their update.
