Prayer and Praise

Randi Webb injured her knee last week and will be having an MRI on October 12, to see if she needs surgery for a possible ACL tear. Let's cover Randi in prayer.

Sarah Frangoules, Kurt Jarchow's daughter, is expecting her first child around October 17. Let's cover Sarah in prayer, asking the Lord for the blessing of good health for Sarah and her son.

Let's remember Merv and Nina Troyer in prayer. Merv was taken to the hospital last week. He continues to battle pneumonia and the complications of congestive heart failure, along with internal bleeding.

Annette Miller had knee replacement surgery last week. She is at home recovering. Let's cover Annette in prayer and Michael as he cares for her; may the Lord bless Annette with a smooth recovery.

Herbert Wenger had mouth cancer seven months ago. Now, he has an area of concern where his mouth cancer was. Let's cover Herbert and the family in prayer as they discern what to do about the concerning spot.

Crystal Christensen wrote, "Thank you for the beautiful flowers from the Good Cheer Committee, the cards, the meals, and the prayers from the congregation." Let's continue to cover Crystal and her family in prayer as Crystal recovers from her double mastectomy surgery.

Shirley Keffer had a PET scan last week and will have a follow-up appointment on October 13. Let's continue to cover Dale and Shirley in prayer during this challenging time of unknowns, when it seems like there are more questions and moments of waiting than answers and treatment. May the Lord, who knows each one of us intimately, minister to Dale and Shirley, and may Shirley be blessed with knowledgeable and compassionate medical staff.

Opie Besso was hospitalized last week. Let's continue to pray for Opie as the Lord leads.

Paul Zook is in the hospital, and Doris is still recovering from her fall. Let's cover them in prayer and the family as they care for them.

Julie Cook continues to face health struggles. Let's remember her in prayer.

Let's remember **our nation** in prayer. Also, as the conflict in **Israel** continues, let's not become weary in praying for peace in the Middle East.

Let's continue to cover **Easton Hoppe** in prayer. He has been diagnosed with a brain tumor.
