

## **Mt. Pleasant Mennonite Church**

February, 1, 2026

### **Prayer and Praise**

Let's cover **Dale Keffer** in prayer as he recovers from a heart attack, which led to the discovery that he has a blocked blood vessel and damage to other blood vessels. A stent procedure was attempted last week but was unsuccessful. Dale will be having bypass surgery.

**Doris Zook** was taken to the hospital last week for shortness of breath. Please pray for Doris as she will be needing a heart procedure in the future.

Let's continue to remember **Steven McVicker** in prayer as he recovers from two strokes.

**Chris Slabaugh** has been diagnosed with esophageal cancer. Please pray for him and wisdom for his doctor as a course of treatment is determined.

We give praise to the Lord for his provision, which is enabling us to renovate the sanctuary and update the sounds system. May we be good stewards of what He has given us, and may Mt. Pleasant continue to be a light in the community. Let's cover the renovation in prayer.

Let's cover **Herbert Wenger, Crystal Christensen, Sandy Lehman, Danny Strong, Betty Vanderploeg, Jimmy DeLauri, Caia Mast, and Randi Webb's** health in prayer.
