Prayer and Praise

Ruth Kurtz required emergency surgery on Friday to remove the interior of her eye due to a perforated cornea, which had become infected. Thankfully, the infection had not spread. Let's cover Ruth in prayer as she recovers from surgery. Also, let's remember her daughters in prayer as they care for her.

Doris Zook is recovering at home from a successful heart procedure. May the Lord continue to bless Doris with a smooth recovery.

"**The Harris family** wishes to thank everyone for the prayers, meals, cards and flowers received at the passing of Rick's mother, Nancy. It is so good to be connected with God's earthly angels who support one another. We appreciate you!" Let's continue to remember the Harris family in prayer.

The MPCs Puerto Rico Missions Team will be traveling home on April 14th. Let's cover the team in prayer asking the Lord to bless them with safe travels and a time of spiritual growth.

Ruth Kurtz's requested prayer for her brother, **Paul Zimmerly**. Paul is recovering from an infection and has been moved from the hospital to a rehab. facility for the next two to three weeks. Also, **Jeff Miller**, her granddaughter's father, who has been battling cancer and suffered a stroke, has been discharged from the hospital.

Mike Baker, Rosedale International Director of Partner Development, reported that last week in Nzerekore, Guinea Conakry, 15 new believers were baptized. One of them was a young Muslim lady who shared how a man in white visited her in a dream and invited her to walk with him. The peace was so overwhelming that, upon awakening, she reached out to the local pastor's wife who had been discipling her, and gave her life to Christ. **We are praising the Lord for this young woman, as well as for 14 others, and praying that they can remain strong despite pressure from their families.**

Pray for the end of violence and terror in **Iran**; may there be peace. For those who follow the Prince of Peace, especially the underground churches, may they be encouraged. For those who do not know Jesus may they come to know him personally. We also lift up those in government and military positions in our nation; may the Lord grant them wisdom and protection.

Please pray for **Chris Slabaugh**. He is receiving radiation and chemotherapy treatment for esophageal cancer, which is making it challenging to eat.

Let's cover **Charles Wenger, Matt B., Herbert Wenger, Dale and Shirley Keffer, Easton Hoppe, Crystal Christensen, Steven McVicker, Danny Strong, Betty Vanderploeg, and Sandy Lehman's** health in prayer.
