## Prayer and Praise

Please pray for **Debbie Keffer**. She was recently diagnosed with macular degeneration.

**Ruth Kurtz** required emergency surgery on April 10, to remove the interior of her eye due to a perforated cornea, which had become infected. Thankfully, the infection had not spread. Let's continue to cover Ruth in prayer as she recovers from surgery. Also, let's remember her daughters in prayer as they care for her.

**Doris Zook** is recovering at home from a successful heart procedure. May the Lord continue to bless Doris with a smooth recovery.

"The **Harris family** wishes to thank everyone for the prayers, meals, cards and flowers received at the passing of Rick's mother, Nancy. It is so good to be connected with God's earthly angels who support one another. We appreciate you!" Let's continue to remember the Harris family in prayer.

Let's be in prayer for the **MPCS Auction Committee**, as they prepare for the annual school auction.

Ruth Kurtz's requested prayer for her brother, **Paul Zimmerly**. Paul is recovering from an infection and has been moved from the hospital to a rehab. facility for the next two weeks.

Pray for the end of violence and terror in **Iran**; may there be peace. For those who follow the Prince of Peace, especially the underground churches, may they be encouraged. For those who do not know Jesus may they come to know him personally. We also lift up those in government and military positions in our nation; may the Lord grant them wisdom and protection.

**Chris Slabaugh** was discharged from the hospital on Thursday following surgery to place a feeding tube. Let's continue to cover Chris in prayer as he recovers from surgery and battles cancer.

Let's cover **Matt B., Herbert Wenger, Dale and Shirley Keffer, Easton Hoppe, Crystal Christensen, Steven McVicker, Danny Strong, Betty Vanderploeg, and Sandy Lehman's** health in prayer.
